“ I first met Coach Holt when I began teaching at Lincoln County High School. Coach was the Assistant Principal and had a larger than life personality. I remember eating lunch with him and listening to him tell one story after another. He was very entertaining and it became apparent to me that he had a great love for basketball. He truly loved the game and the many players he coached over the years. I transferred to Grundy County High School and a few years later Coach showed up there. It was there where I met and married my first husband Shawn “Shaq” DiGianfelice. Coach Holt and Shawn were friends from back in the Motlow Days. Shawn thought the world of Coach Holt and was a constant figure in our lives. He was Shawn’s best man in our wedding. He had a heart of gold and went above and beyond for his players and friends. I remember watching teams at Grundy under his leadership. He really brought out teams potential. I can still feel the excitement in the packed gym when Grundy went to the sub state. Coach was humble always giving the players the credit. He was a very talented man and has made positive impressions on many students over the years. He was taken away too soon and he will be sadly missed. Prayers for Mary, Josh, Zach and his many friends and family.

“ Coach Holt was a good man. I met him when I worked at the Elk Valley Times in Fayetteville my first real newspaper job. I remember he knew the rule book back and front and really could take an official to task. To his son Zach, I wish you much luck and success at Franklin County High School. Your father will be proud of whatever you accomplish and Josh as well. I hope the Lord can comfort you in the coming days and weeks and that your friends will be around to comfort you during this time.

“ He was a great fraternity (Theta Chi) brother at Ball State, a great friend and sounds like an even better dad/husband/coach. Likely he was instrumental in a lot of young people's lives as well. At BSU, he was "Porky" to us, the same as his dad was to so many. The stories and fun times are too many to tell. I'll miss ya Pork!

“ To my little brother Mike: I will never forget our childhood pranks. "Water works" was a nickname of Mike's when he was picked on by his older brothers because we made him cry. On a Florida vacation from Indiana, I wrote on my etch a sketch: "Mike is a nut." When Mike tried to read what I wrote by leaning in, I shook my etch a sketch to erase the message and chipped his tooth. I will never forget Mike, Mary, and little Josh, and Zach living in Cuba City, Wisconsin when I was a professor at UW-Platteville. Mike got his master's degree at UW-Platteville and worked with Coach Bo Ryan. Mike inherited his love of coaching from our father Coach, Porky Holt. Mike always had a bigger than life laugh. Always happy, always wanting to help his players and students he coached. Mike, a devoted husband, fantastic father, and a person who never stopped giving to others. A life taken to soon. You will be missed. RIP

“ *I remember Coach Holt from his days at UW-Platteville. He was one to be seen smiling that big smile of his and was always trying to be the best advocate for the players that he could be. Of course, I will always remember him singing "Rocky Top Tennessee." Rest easy, Coach Holt. ~ Angie Boldt*

I ran high school cross country and track with Mike. He always gave it all he had and had the results to prove it. Obviously, he lived his whole life in the same manner. Love and prayers for Mike, Mary and their family. God Bless.
