“ *My memories of Adrian were when he was a very young boy. His awesome mom, Linda, was my best friend and when I'd be at her house, Adrian just loved to 'pull her chains' and tease her...ultimately they both would end up laughing! He had such a twinkle in his eyes...He was so cute and always so very kind to my little boy, Travis.*

I know this is such a loss to his entire family. Sending love and prayers.

“ Always such a sweet and humble man. He was always smiling no matter what may have been going on in his life. He was completely devoted to his wife and children. I couldn't ask for a better brother-in-law or friend. He will be greatly missed.
