“ The short time I had the privilege to know Tony at AEDC, I knew he was loved by so many. How could you not? I am sure that he made a mark on each person he came into contact with. We all need to be a little more like Tony in this world. He will be greatly missed by me and so many. I hope it gives the family a little relief knowing that the GOOD LORD has something special planed for him. I truly believe that for Tony.

So sorry for your loss...

“ I was so sorry to hear this. Tony was always such a cheerful guy and always greeted me with a wave (even if his cup was in his hand) and a big smile when we would see each other in our building at work. He is already missed here. My thoughts and prayers are with you all.

“ Sorry to hear of the loss of Tony. Tony and I worked together at AEDC for a short period of time and during that time it didn't take me long to realize the he was very talented in the work that he did and will a great loss for the Engineering Design Group. I have no doubt that he was a great person and will be missed by all that knew him.

Sorry, Artie Smith

“ I remember you from high school and band Tony. I'll never forget how kind you were to everyone, how genuine of a person you were. I remember how much you loved the ninga turtles. I'm sure once you walked through those Gates you gave the biggest "cowabunga" you've ever given. Rest easy Tony, you're definitely going to be missed.
