“ I worked at B&B in Powell, AL. I had moved to Rainsville, temporarily at first, because both of my parents had been diagnosed with cancer. I think he only hired me because Mary and Charlie wanted him to(they both were already employed there). Bill was one of my favorite people! I also loved him because he hired the man,that would 8 years later become my husband, to remodel the store. I loved Freda and the boys too. Bill was one of the good ones!

“ Billy Ray.What a good Shipmate and superior human being. Billy thought I talked funny - I am from Maine. I, obviously thought he talked funny. We got along well and had many good times on Sirago.

“ *Freda and family,
Kathy and I send our sympathy and prayers in the days to come.
We have fond memories of you and Billy Ray welcoming Kathy and
me back in 1970....her first Norfolk friends. Although we didn't see
you in person after the Navy years, we so looked forward to your
Christmas cards and his letters filled with
the year's special times. Again, we are so very sorry for your
loss...he was one of the good guys. Randy & Kathy Crawford*

“ My heart goes out to my life-long, dear friend Freda and all her family, as they support each other during this difficult time. I am so thankful they have each other, the beautiful family Bill and Freda created together. I remember the night Bill took his young bride from her Mother and Daddy's home. In his quiet, steady way, Bill managed to get her into his car, through all the tears of those of us who would miss her. In his quiet, steady way, Bill remained by Freda's side through a lifetime. Bill was a down-to-earth man, a "good 'ole country boy," with a good sense of humor, characteristics that, in my book, describe a good and decent man. I know my Dad respected and enjoyed Bill too, so I think I speak for him as well. Although I have been a long-distance friend for many years, Freda and Bill are friends from my youth, and friends from our youth leave an indelible imprint on our own characters. I feel honored to have known Bill.

Love,

Sandra
