“ Celia and I knew and loved Kenneth for nearly 20 years. His friendship was a great blessing to us.

Some great memories come flooding back. A few highlights follow:

- Men's Bible Study: More than 10 years ago, several men from various churches started getting together in one of our homes to study the Bible. Kenneth and I were in that group and some great and lasting friendships grew out of it.

- Financial review group: Kenneth was elected to the Board of Mayor and Aldermen in 2006 and served the town with commitment and dedication for the rest of his life. He asked me to help him and Alderman McMillian review the records to understand why the town had lost so much money over the previous few years. It was a pleasure to serve with him because of his leadership and wonderful attitude.

- Always there to help: Whether it was a Lions Club horse Show or Tractor Pull of an event being sponsored by some church or civic organization, Kenneth was always ready to help.

- Always down to earth and close to his roots: One of my favorite pictures is the one I made of him out in the woods picking polk salad. I was clearing some land down by cane creek and spotted someone in the woods but couldn't tell who it was. I made a picture with my phone and blew it up a little bit and realized it was Kenneth. A little later we got to talking and he mentioned how much he liked polk salad.

We loved Kenneth and will surely miss him.

“ Kenneth was a dear friend and cousin. His father Fred and my
Mother were first cousins and visited our home often when I was
growing up.
Kenneth was dedicated to his church, family and the Town of
Petersburg.
He devoted many free hours to Town administration.
He will be missed greatly.
