“ *I will miss my brother. We had many heated discussions about many subjects. There was never a winner in these discussions, most of the time, it was a draw. He enjoyed life. He knew many times, with his medical conditions, that his time on this earth was drawing near. He spoke to me and Tommy many times about this. He told us that it would not be long before he took a dirt nap. He was blessed with two strong and beautiful daughters. He loved and trusted them beyond any doubt. He was very proud of them. He got great enjoyment from his grand children and his great grand children. He was a good neighbor and friend to many people.*
