“ I enjoyed a trip to Smokies with their family and the kids were young and with their uncle Jr. and aunt may. We had so much fun camping out and May, Barbara and I went down a blow up boat and after we began I was told they couldn't swim. The boat capsized and I was literally holding both May and Barbara up by the nap of their blouse to shore. We were all screaming of course. Everyone of the big campgrounds come out to see what was wrong and everyone was laughing but May and Barbara. We had a great time, singing, telling joke or Billy cutting up with Jr.
