“ *It was really nice to get to know Blake through Trinity Baptist Church. We had many good conversations, especially about LSU and Alabama college football. Offering prayers to lift up Blake's family from the sadness of Blake's passing, but we can all rejoice knowing that Blake has already been lifted up!*

“ *I had the privilege to work with Blake at Trinity for many years. When he joined the youth group, there were many fun trips I was blessed to take with him and I watched him lift up others in spite of his own struggles. He will be missed greatly and my thoughts and prayers go out to his wonderful family.*

Now he is running and jumping in Heaven with Jesus.

“ Blake always thought of others before himself, always asking about me and my family. Blake had an awesome sense of humor. He was brave too, he let this nurse cut his hair a time or two.
