“ *Dear Max: I was just looking to find Bobbie Sue's telephone number on the internet since we no longer have phone books and her obit showed up. She called me and we talked several times over the years that we were no longer at Enco and said we were going to out to eat! I am so sad that we did not but grateful she and I shared conversations over the years. She was a fine Christian lady and just beamed when she spoke of you! I send my sincere sympathy in your loss and will miss my sweet, kind friend, Bobbie Sue.

“ *Bobby Sue was a fine Christian lady. She and I had a lot of good phone calls about our love for the Lord. She was in my class and attended our class reunion last year. I will miss her phone conversations but I know she likes her new home with Jesus and my wife Hudie and her loved ones. We shall meet again.*
