“ Brenda was a joyful person who had a gift for laughter.. she was one of the funniest happy people it was my pleasure to know. I had the pleasure of working with her everyday for 5 years. Brenda was funny even when she did not mean to be funny and had the ability to laugh at herself! She always had funny stories to tell about Holly and Jada .. My favorite Brenda story is when Howard ( thinking he was doing a good thing ) traded in her convertible Sebring for a minivan! He thought it would give them more room for trips with the dogs and when her and Lisa and the girls went shopping) oh my He was so wrong! She said now do I look like a A GRANNY VAN PERSON CAROL? I said a well no.... I think it was 6 days untill the van went back to the dealership and she was sporting a BRAND NEW CONVERTIBLE SEBRING! She was definitely one of a kind! My heart goes out to Lisa and Holly and Jada she loved you girls so much! I imagine she is dancing in Heaven now! Carol Medlen

“ I remember when my children & I were going through a hard time at Christmas. Howard & Brenda, Lisa & her children; along w/other family & friends came together at Lisa's to have Christmas together. Including my children on trips & vacation. That was Brenda...always smiling & treating people like they were one of her very own. I had visited with her several times while she was in the hospital & I am so thankful for our time together there. The last memory I had with Brenda was in her hospital room. She was having a tuff day. She was sitting on the side of her bed & I sat down beside her. I held her in my arms & I prayed for her. When I went back by her room. She was a sleep & much better than before. Brenda, was loved by many & will be greatly missed. Jeannette Thorpe & family

“ Brenda, U were a angel on earth with a very contagious smile, whom I've had the pleasure of knowing and working with for many years, as you gained ur wings and I sense ur beautiful smile down on us all. U were a caring person and yes we shared many of laughs. Thank You Bren 48 for all the cherished memories. I remember when you and Howard moved to park city and the Satellite that was in the back yard, you called it a picnic table. Brenda I will never ever forget you. The last time I saw you, you were driving and we were waiting for the red light to change and we talked back and forth through our windows. You were a caring soul with a heart of gold Lisa, and all the family, your mom and nana was a special lady! Rest Peacefully Brenda and I will see you again one day May God watch over and be with this sweet family during this difficult time! Fly High my Friend!
