“ *It was a blessing to have known Bro Charlie! He was an inspiration to many people. Rest assured that he is rejoicing in heaven without the pain that he has endured for so many years. God bless Mrs. Nunley and Brian.*

“ *Bro. Charlie was one of the most loving and giving people I have ever known. He loved the Lord and his family. He also loved most everyone he knew and wasn't ashamed to tell them and show them in so many ways. He could make me laugh until I couldn't breathe by telling stories of his antics from his younger years. He could make me cry by telling me how good God was to him (even though I knew that he was in constant pain). I will miss our short (just kidding!) conversations! Sis. Patsy and Brian, we love you and are praying for you!*
