“ Charles became a friend of mine not long after I moved to Lynchburg. He was a strong supporter of mine as an extension agent. He used our services on his farm and was a strong supporter of our 4-H program and served as president of our Horseman's association which was good to our program as a fundraiser because we got the consesion's and the Horseman's association built the track in the park and let others use it free of charge to make money for different organization's The money made by the association was used for the upkeep of the ring and provided thousands of dollars for scholarships for 4-Hers at graduation ..Not only a good leader but Charles spent many day's working on our ring and donated a lot of time with the state 4-H horse program serving for over 20 years on the State 4-H committee and served as the DQP for the state show for over 25 years and never charged a dime .He'll be missed by all of us here in here in Moore County . He was always there to help and never complained.
