“ *I'm so sorry to hear about the loss of Brad. He was my middle school "boyfriend" at the time he lost his sister and being there as he went through that painful experience bonded us as lifelong friends. I literally can't think of a single negative memory about him because he was such a kind person. My deepest condolences go out to his wife and the rest of his family. I pray that his memory is a blessing to you.*

“ I first met Brad when we were both in the National Guard together. He was always friendly, smiling and personable. I got to know him again through Kim and he had not changed a bit. He never showed seemed to let his physical challenges bring him down in the slightest. He was a great man and I appreciate how he and Kim seemed to be such great support for each other. His loss is way to soon, but his memory will live on through those who knew him. Jeff Carter

“ I met Brad and Kim, when I worked at r.l.. They are two of my most treasured guests. They both were always smiling and happy. You couldn't help but smile to, when you are around them. We called them the "paiselys", after the singer. Brad always would stand up and give me a hug. He gives the best hugs. I m going to miss his smiling face. Until we meet again Brad. Heaven has another angel.
