“ David Hall you my friend are going to be missed so much.. I only knew you a short time.. But got to know a kind soul that was such a fun loving ole school hippy .. I'll forever remember you getting on to me for spoiling cotton and buying him treats .. Then you finding out it was more than treats lol I was letting him come in the house and watch TV and nap with me .. I enjoyed getting to sit back and watch a beautiful sunset with you and getting to hear your infamous peace love and rock and roll goodbye for the evening.. I hope heaven is lined with the most beautiful orange carpet to welcome you home .. And you get to watch every single Tennessee game in such a beautiful atmosphere that we are all jealous of.. You are healed my friend enjoy your new body .. A body with no pain or suffering anymore.. Ride high on your golf cart made of gold 💙 Christians don't say goodbye.. We Will see you again brother 🙌
