“ *Jamie, Bonnie, Christy and all the grandchildren and Great. Also to her sister Brenda .My heart goes out to each of you .Kay was like a sister to me. We had lots of memories together to share. We were family and to me still family. She always held a special place in my heart. She got into nursing after our long talk about it and was a good nurse. I told her if I could do it, she could to. Kay could do whatever she set her mind to. She will be missed by us all and you all will keep her love alive. May God wrap his arms around each of you. Brenda & Joe Burns*
