Words cannot express the broken heart I feel. Pop and I had a special relationship and I know I was the daughter he never had. I was closer to Pop than I am to my own father. We had so many good times. Pop loved watching the ocean waves, blues, Lynyrd Skynyrd (which we saw in concert), cooking good old southern food and smoking chicken, the races, good food and good company, the lighthouse. He was a simple man whom everyone whom he met adored him. My heart goes out to the family. May the warm hearted man he was shine on in all of our hearts! Much Love, Amanda

“ *I would like to share a few memories that are forever close to my heart !! Dennis and I would drive to the Light House at Santa Cruz with cheese crackers wine and beer and sit for hours over looking the water watching the dolphins play and the waves crash against the shore, he and I would go to the Little Fox in Redwood City and listen to the Blues Bands !! He loved the Blues and BBQing, using the smoker fishing, climbing the rocks at the beach and the beach !! Those are just a few of the things he loved. He bought me fresh flowers all the time just because, because that is the kind of man he was, I will always treasure our time together and he will forever be in my heart and mind!! I love you Dennis always will !!*
