“ Going to miss Duck coming up on the weekends. We'd sit and watch all the wildlife come through the field. He loved watching the deer early in the morning, sitting on the swings and just talking to Liza. We are going to miss his visits. Love ya'!!

“ Even tho Duck was my brother-in-law he would tell people I was his other wife.I would carry him to his appointments sometimes and then we would go eat,ride and just talk afterwards.I will cherish all the times we had hiking,Floating the river,Gatlinburg and all the other events we had especially when Duck got lost hiking. The people at the park said they were getting ready to go look for us.Duck will be missed dearly.He was a sweet,caring and loving person.
