“ *Ms. Juanita was one of the sweetest people that I ever met. She would give you the shirt off of her back, if you needed it. She has touched so many lives in such a positive way, which is what this old world needs now. It has been an honor to have been her hairdresser for over 25 years and her friend since I was just a little girl. I will never hear a Conway Twitty song that I won't think of her smiling face. She will be missed by so many people in Petersburg and surrounding areas. My deepest sympathy goes to the family she left behind. I bet Conway, Belle, and Mr. William met her at the Pearly Gates and when she walked up they all said "Hello, Darling".*
