“ *Praying for the Case Family!!! Mr. Case was not only a teacher of different math subjects, he was also a great mentor!!! He showed us how to apply these math principles in everyday life and made sure we got it!! Very few students got an A in our classes because he challenged us to many ways!! Those challenges helped me tackle the challenges a young person has once he or she moves into adult life!! He will be missed greatly!! Love and continued Prayers to the family!!*

“ So sorry for your loss. Mr. Case was my math and algebra teacher in high school. I saw him about 5 or 6 years ago when I was working at Applebees and I got to wait on him. He was a caring teacher and always wanted his students to succeed. He will be missed.

“ Keeping you close to our hearts and prayers...
I have many special memories of your dad and mom, but the one thing I remember is that your dad and mom gave me a cherished gift. They had no way of knowing the difficult time I was going through, but one Sunday morning during worship, they both walked over to me and gave me a prayer shawl. I remember the amazing love and comfort I felt because of their thoughtfulness. I remember your dad's gentle pat on my back as your mother and I shared hugs...Jeff and Gayle Thames
