“ *Ole Chubby! He was just a mess! I visited ALOT after Chuck and Dean passed away with Debbie. Course, not every day like her but quiet a bit at home, Donaldson, and hospital, and he was the same cut up till the end. He had a few days he felt really bad but for the most part just a mess pot full of Chubby haha! Course I'd aggravate him too. He didn't know how to take me if I was sweet to him 🤔 that was our relationship.*

“ What a Character he was. He loved having fun, teasing Family Members and aggravating his Nephews. He gave a lot of young men their first jobs in Constructiion, running heavy equipment and driving trucks. He loved Family Gatherings and talking politics. We will miss his laughter, and the love he shared with us all.

“ Mr. Lewter was one of my patients... He would get so tickled with me walking backwards down the hall, while I talked to him. He said I was like a crowdadaddy and wanted to take me buck dancing.. he would try and scoot his feet around (apparently in his younger days he was quite the dancer). He will be missed so much. Praying for the family.
