“ Jann was a coworker at Centerstone, and we had so much fun working together! Some of my favorite memories are times shared with Jann. The pranks, the lunches, the laughs and the tears. She was an incredible woman, and the world is a little darker without her light shining in it.

Jann was a dear friend and valued member of our wonderful "bookie" club. We are we a close group of friends that met for years to share stories, food, drinks and enjoy each others company. Once a year the group would come to Tellico Village (my home) for a weekend of mutual love and respect for our friends, she will truly be missed, so important to all of us.
