“ *Louise was my dear cousin who I truly loved and respected. She was a kind, caring, considerate, and loving person who loved all her family and closest of friends. In our childhood days, our family and hers were the closest of close, spending many weekends together and sharing family traditions. Louise had a very hard life, not only growing up, but in her adult life as well. But, she always seemed to see the bright side of things verses the negative sides. I admired her for that. I know in my heart that Louise was taken to be with the Lord the moment she drew her last breath and she is now in paradise. I pray for all of her dear family that they will draw peace and comfort from God Almighty during this time of sorrow. My thoughts and prayers are with you all. God bless each of you. My love for all.
