“ I met Lib the day we visited Brookdale with my mother. Lib immediately introduced herself and invited us to join her group for lunch. We immediately hit it off -joking with each other! My mother moved in the next week and Lib became a dear friend not only of my mother and me...but of my golden retriever Mojo. They shared a special bond. Oh how we laughed and the stories she shared were priceless. Covid divided our time and I hate that after my mothers passing I didnt visit Lib as often as I thought of her. My heart is broken that I didnt make more of an effort. To her family-she was so delightful!! I know she sbd Mojo (he died in June) are having a beautiful time together. Im so glad I got to know her!! She made my life special. God bless her!!

“ *Lib is missed so much. As I decorated my Christmas Trees in December with her beautiful made angels, stars of different materials, and ice cycles, memories of all our fun times came back. I hope Lib will be able to keep John and Doug in line. We loved them both so much. Love and sympathy to Johnny and family.*
