“ *Lavon's Family. So sorry I did not know of Lavon's death. We have lots of great memories at the Solomon's house. Would have loved to have seen Shirley and Richard. I come from Ardmore every Sunday and pass Lavon's house. When we came by Sunday I told my husband his truck had not been moved since last Sunday. Sure do miss those good old days. Thinking of you all and remembering you in our prayers. Kathalene Solomon Isbell*

“ *I worked with Elton at Home Depot, several years ago. He was so sweet. If you needed help, he was there. If you asked him about something, or to do something, he would help. Such a strong person. He didn't give up without a fight! I love the person you were, Elton. Rest In Peace, my dear HD buddy. - Carol Ann*

“ *First guy I knew that had a new car. This was when he was just 16. That was almost never heard of in 1968. Everybody just drove whatever dad or grand dad didn't want anymore.*
