“ *Ruth Daniels has and always will hold a dear place in my heart. I have always thought of her as a wonderful lady and friend. I worked with Ruth at the Jack Daniels Barrel House 1977-1981 and also attended the same congregation during that time. My prayers are with your family during this time of loss.*

“ *I met Ms. Ruth many years ago and had the privilege of working with her at the Barrell House. She was always so kind and it was such a pleasure to be around her. Ms. Ruth will be missed.*

“ Your Aunt Ruth was an angel on earth to our family. We first met her in Lincoln Skill Care when my mother was put in Ms. Ruth's room after a fall. Ms. Ruth had also fallen and was almost well after breaking her pelvic bone but she greeted my momma with a smile and they became fast friends. My mom was going thru a hard time, having just lost my dad after 60+ years of marriage and was pretty emotional. I left many days and came in many times with Ms. Ruth sitting by my mother's side rubbing her hand and talking to her - she calmed my mother so just by doing that and for that I will forever be grateful. She was told one Friday that she could go home but chose to stay til Monday so my mom wouldn't be alone - what a friend. My sister and I have remained close to Ms Ruth and were priveledged to be invited to her birthday party - what a wonderful woman she was and I know from our conversations that she loved each of you - she will be missed but I feel sure she and my mom have already renewed their friendship!
