“ Carole, even though I have known you a short while I have grown fond of you & Bobby thru WEBC. Your witness & love of God shines brightly in your faces. I regret that I was unable to know your sister personally. The family love you shared thru the years & especially during her long illness was felt by your many relatives & friends. If I am unable to attend the memorial service know that I shall be in prayer for you. I am thankful for your love & witness you show to me everytime we share a service. In Christian Love, ReXine
