“ *My thoughts and prayers are with you and your family. I am so sorry for your loss. For some reason that we will never understand, God needed him in heaven. I pray for the day that you can have peace with this. I want you to know that even with as hard as it is to let go, God shared with you his most perfect angel. He was meant for you alone. That is so special. If there is anything I can do, please let me know.*
