“ I loved Tommy Brown. I won't go into tales right now, but I have so many "Tommy Brown" stories I could tell from my years of working with him at the Water Department. He was a great guy just to be around. We had fun working, it was never boring. I am truly sorry he is gone. But for me he will not be forgotten. Too many laughs to cry right now. God bless his family he cared so much about. Sincerely, Gene Johnson.
