“ *I remember him as my bus driver from 1st grade until 6th. He was always at my house at the same time every morning, like clockwork, and he was always very nice. My mother would try and get him a cheese and summer sausage plate every year for Christmas. My heart goes out to the family.*

Mr. Dump was one of the kindest people I have ever known. Him and Mrs. Sarah were such great friends of my mama and daddy. They were part of our family and we loved them dearly.
