“ *Harold was the best neighbor anyone could ever have. He was kind and always keeping an eye on our place, when we were traveling. He loved chocolate cake and watermelon and I always loved seeing him smile when I had something to share with him. He was so proud of his family and would call me over to shared special occasion cards with me and he especially liked the cards that had money in them. Several years ago, I was working in the yard and he came to the fence line and gave me a beautiful iris that had just bloomed. I have thought of that moment often. That was the kindest thing, and brings tears to my eyes. I will miss him. Rest in peace, sweet neighbor and FRIEND.*
