“ *Jack Bateman, another true legend of the hollow gone. I can remember when he told me, I did not know the difference between a Cedar Tree and a Sugar Maple Tree, taught me a big lesson that day, one I will never forget. Shorty after that we hung the sign at the sawmill that says: "Jack's The Boss" RIP my Friend!*

“ *Jack was unique! I remember Jack liked a hug and a kiss (if he could get one) when I was delivering the mail at Jack Daniels...nothing improper...just a fun exchange between Jack and "a pretty girl." When he called the distillery and I answered..."Hey Girl!" "What'r ya doin'?" Thinking of Jack just makes me smile.....*
