“ We'd go visit Jack and Louise when I was little and if Jack and dad felt like it they'd trade cars. We'd leave what was ours there and ride home in what was his. Miss them both.

“ To Mrs.Louise and Family
Where do I even begin to share a memory of Mr.Jack. He was truly one of a kind that's for sure. I'm surely going to miss him coming to the Store every morning and having his coffee and leaving his 3 cent tips. When it was time for him to go he would always say let me get home to make sure she's busy doing something. My heartfelt thoughts and prayers go out to all of you during this time.
