“ *A body dies but a soul is always immortal. Do not lament because Jennifer is always with you and God will keep her soul in comfort and peace. I lost my words and really don't know what to say in this painful situation. No one can take place of Jennifer, but never feel alone because she is always with you.*

*"Weep as much as you want, so that your pain gets washed with the tears".*

*Accept my solemn condolences and sending Prays too Brain and boys and to Cynthia and family*

*Love*
