“ *I was a problem child for Mr. Stewart in front of him multiple times with multiple offenses as I gave him grief, then near the end of my time in high school I met Jesus, and Mr. Stewart was right there to encourage me along in those early days. Now Mr. Stewart is with Jesus. I guess his repeated words ring even truer now, “When one Falcon wins they all win”.*

“ *I worked w Mr Jim Stewart at Franklin County High School when he served as an Assistant Principal. His role was mainly teacher support and discipline. I enjoyed my relationship with Jim. He was fair and even handed in his role. He had expectations for the educational staff. I can still see him walking the halls going somewhere to put out a “fire”. He enjoyed FCHS athletics and supported the coaches. I enjoyed his presence and think of him as a friend. He will be missed and remembered.*

“ I wish I had one more chance to say thank you to Mr. Stewart. He was by biggest support, fan, advocate in high school. I had the opportunity to be a Lincoln County High School Falcon as a 9th grader (when LCHS was only 10th-12th grade) on the new cross country team and track team. Mr. Stewart traveled all the way to Memphis to see me compete at the state track meet. He cheered for me every lap of the way - both on and off the track. He will be greatly missed. He was an amazing leader and supporter of all of his students and faculty. One of a kind! I'm thankful that I had the privilege of learning from and watch such an amazing leader! Thank you, Mr. Stewart!

“ Thank you, Jim, for facilitating the student GED program in the late 90's that I was fortunate to teach. I saw that what these students needed was someone who could encourage and inspire them to succeed by accepting them and loving them. Jim, you also saw that in these at-risk students and I felt your love was with them, too. Thank you for being a part of LCHS's students' lives! Blessings and prayers!
