“ Cathy,
Jackie, Rickey, and I sincerely wish we could have been in attendance today at Jimmy’s memorial. I would like to be sure that you know Jimmy was a true friend and absolutely dependable person. I have privately remembered Jimmy today as Jackie and I celebrate his life and memory. I will hold Jimmy close and I can assure you I will always know that Jimmy was someone that would be at my side regardless of circumstances. My memories of Jimmy will always be of a a man that was a willing partner and an enthusiastic participant in some of my more treasured misadventures.
