“ Janie, Mary Ann, Roger, and Jimmy, I loved those kids, I was around them a lot, their dad was my hunting and fishing buddie for years, go by to pick him up, they would cry to go with us, just little fellas but they loved hunting and fishing, and they were pretty good at it too, one of my fondest memories of them was, "Pint " would have them over in the Cotton Mill branch, catching crawfish ,for them to use for bait for fishing, turn over a rock , grab a crawdad, the were very good at that, Jimmy was just like his dad in that way ,, just a fine boy that I'm glad was part of my life., I pray for comfort for the family at this time.
