“ *The end of a Motlow Era! Only Aunt Dot left of the Motlow Four! Uncle T. I have a life time of memories of you and daddy! Some Good and some not but all interesting! The stories we could write of yalls adventures! Thank you for coming to The Moore County Football games and supporting our son playing... it meant allot. You and daddy were Moore County Football Stars in your time. The square and the Coop won't be the same without you there to greet everyone. But I know you have been welcomed by our Lord and Savior into His Kingdom. Give Daddy & Becky a big hug! Sorry I can't be there personally but you all are in my prayers.*

Love

Your neice

“ John T. was a buddy of mine and the many others he came in "contact" with playing his favorite sport, football. The stories of "T" and his football exploits are innumerable and usually beyond belief - even if true! No doubt he must have played something like eight years (MORE?) of high school football from Lynchburg to Petersburg to Lynchburg to Tullahoma and a half-year at Middle Tennessee State! Or so he said! Anyway, anyone who knew John T. had a tale or two of his fun way of approaching life with gusto and humor - always with humor - in any endeavor he was involved with. His memory was legend and he could recount tales of his exploits over and over as if they happened yesterday. God rest your soul John T. - it was a pleasure to know you, bro.

“ I'm sad to learn of the passing of my uncle. He was always a little elusive, but it always felt like no time had passed since I was a little kid when I did see him! I've not seen him since we buried my Mom, his sister, Rebecca. I'm sorry it has been so long.

Thank you to his Grandchildren for watching after him and taking care of the funeral arrangements. I'm sorry that I can't be there this weekend. But I'm sure there's a Motlow reunion going on up above this weekend!

“ Sorry can't attend visitation or funeral. I loved T. and spent many hours with him as a young man. My prayers are with the family and wish all you well during your grief.

I knew T many, many years ago when we were young. Loved to dance with him. I moved away for many yrs and lost touch, but did run into him a couple times in Lynchburg after I moved back to area. He gave me a ride around the square in his horse drawn wagon. He was a lovable character and will be missed by many. Rest in Peace Old Friend.
