“ *In October 2020 I took granny shopping and out to eat. She had an awesome day with my wife Kristen and my mother Sharon and I. She loved going shopping! We also had the best time last summer when I took her to see Bill Anderson in concert 🎵 She had always told me she wanted to go see him before she died and we made it happen! She loved “Whispering “ Bill Anderson! My wife says I look just like her and knows what she has to look forward to. She was the glue that held the family together and always tried to get us together. Granny I love you and can’t wait to see you again. 😊👍*
