“ *I have been thinking about Lee a lot here lately because it has been 5 years since he has been gone. All I can think about is just our childhood, we were inseparable. I think about all the fun, crazy things we did as children. I am grateful to have been his cousin that lived right next door. Lee and I have gone through some rough times together and I wish he was still here so I could just give him a hug. Life is not the same without lee here. Every time I look at his girls, I am reminded of Lee. If only he was here to be able to have another chance at life. Anyways, you will always be missed and loved Lee Bartlett Hart.*

“ Meredith, I am so very sorry for your loss. You and your family have been in my prayers and will continue to be. I'm sorry I could not come by and pay my respects in person, but I have out of town company. I hope you know that if you need anything at all, please just ask. You have always been so very kind to me and I appreciate it. God bless.
