I know we are all sad to see Grandma Lena go, but I just want us all to remember that grandma lived a full and happy life as a strong, beautiful, interesting woman. I know that during her 99 years she experienced many great things and had many adventures. She influenced all of our lives in such a wonderful way, and I think it would be great if she could continue to influence everyone's lives as an inspiration to live our lives to the fullest.

“ *I never got to spend much time with Aunt Lena or any of my family in Tennessee, but I remember her biscuits. No one I know ever made biscuits like Aunt Lena. She was a very good cook. I wish I could have know that side of my family better. Praying God will comfort all of you as only he can.*
