“ I was honored to be a part of the GOING HOME service for Linda. She was a sister in Christ and a very good friend. I am thankful for the privilege of having known and loved her. In a telecon on Dec 2 she told me she was told she would not be any better and to preach her funeral. She then began to ask about everybody else. This was our Linda.

Linda was an amazing woman that always seemed to have a positive outlook on life and a smile to greet you with. Prayers for Delton and her extended family during this difficult time.
