“ *My high school mentor taught me well and prepared my passion for a life of writing. Everyone loved Mrs. Harper, especially back in the day when the old high school existed. Those were the days everyone knew everyone. Rest in peace, Mrs. Harper. You left many students armed and ready with word and pen. So hard to believe you have left us. Your love for teaching touched many lives and many hearts. We thank you for your patience and example. We love you. Tucking your family and loved ones in my prayers. Gina Ann Day (Gina Ann Hensley)*
