“ Some people come into our lives, leave footprints on our hearts, and we are never the same. That person is my dear friend Lisa. Her laugh was infectious. Her personality drew you in to her. She was my mentor at Travelers and we worked side by side for almost 8 years. I will never forget her. A wonderful friendship bloomed. Although we have heavy hearts she will always be remembered. I pray that in the midst of your sorrow John, and family, that you all find comfort in all the joyful memories shared. She will always be loved.

“ I have such fond memories of working with Lisa at Travelers. I remember most her laugh; that sweet laugh that we would hear over the walls of our cubicles that would make us all chuckle and break the silence. I so hope that her short retirement was filled with family, love and enjoyment. Our prayers are with her family in this time of loss. Carolyn H.

“ Lisa and I were co-workers back in the day at Travelers she always enjoyed a great laugh. Had no clue she road motorcycles until later in our employment when one day I had stopped by the office and saw her getting off a Harley in the parking lot, what a shocker. It's no wonder we got along so good at work we both loved bikes. Our heartfelt condolences go out to you and your family and will always be in our prayers,

“ John & family - there are no words to describe the loss I feel. She was my closest, dearest, most trusted friend. I loved her. We did some crazy things & those memories will burn in my mind forever. I feel blessed to know her & share her life with her. She was a very strong willed & stubborn woman to the very end. Please know that I share your grief. Sending huge hugs, deepest sympathies and sincere condolences. Don't hesitate to call, I'm here.
