“ Mark and daughters,

I knew Lisa when she was a student at Motlow some years ago. We got to revisit the Motlow days when she started bringing Ms. Barbara to the Farmers Market in Lynchburg. I started selling baked goods after my retirement from Motlow in 2014, and she was a weekly customer at the market buying vegetables and some baked goods. She always had time to visit for a few minutes. I always enjoyed seeing her, and we usually shared some silly comment about something. I considered her a friend, and was so shocked to hear of her death .I will miss her. May God comfort your family in the days ahead.
