“ *I sure do miss Dad every day. He's been gone for well over a year now, but there isn't a day that goes by that I don't think about him and wish he were still here. I'm sure no one looks at this anymore and that's just fine. I hope somehow somewhere Dad still sees me and sees that I'm doing well. I owe all that I am to following his loving example. I strive daily to be as much like him as possible. I love you, Dad.*

“ *Mark was a huge part of my growing up years, from little fellows through high school. I dont know of a nicer fellow that God put on this earth and I'm honored to have had him as a lifelong friend. I'm very sad but would not have missed having him in my life for anything. Love, prayers, and kind wishes of peace to Sandy and the rest of his family.*
