“ Justin, I have known your Mom and Dad all my life and thought the world of them. They were hard working Crystal Ridge Folks and I stopped by and talked to them many times when I saw them on the front porch and I don't get up on the ridge as much now but I found out she was in the nursing home and I visited her once or twice a week till she came home. I am so greatfull I found out she was here in Moore County because she was so proud of each visit and caught me up on the ridge. She was a delight to visit and acted like I was family.. You were lucky to have such great parents and to have a mama this long. Remember the good times, you'll never forget them and there want be many days you want think of something you'd like to ask them. I am so sorry for your loss and she will be missed on the ridge.
