“ Mike, Butch and I were the best of friends in high school. Even after all those years ago, we would all see each other - mostly at Sarges - he would come out to our table and we would pick right back up where we left off. We both loved him very much and are d so I sad but thankful that his last years were spent in happiness with Mellea. Love you Mike. Fly high ❤️

Mellea I am so sorry for your loss of Mike but I am so glad you all had each other the past couple of years. You were so good to him and did your best to help his suffering. Mike was good for you too. You have a lot of good memories and I know you have had such a nice Service for him. Love you lots and so sorry I could not be with you. Love Joyce
