“ *I have known Morris a long time. We had great times in our early teens. I loved his Mom she was such a great person. I am glad I got to have contact with you both.*

“ My deepest sympathy to the Evans family. Morris had an outgoing personality that made you feel right at home from the first time I met him. My daughter married his son and I never doubted his love for her as a daughter-law. He made the grandkids laugh and bought the neatest gifts for them... Morris was a tough guy that fought the good fight. I will always smile when I think of the stories he told about his love of rollerskating back in the day.. Backwards , forwards, and with rhythm! He left some good examples for his kids to follow and they in turn made him very proud. His wife Pat cared for Morris till the end of his days.. God Bless her and Nathan, Candace and all who cared and comforted him. May all his family have peace to know he loved life and lived it his way! Jill
