“ I'll never forget all the good times at Turkey Creek! Camping boating roasted marshmallows and a ton of fun! I can almost smell the scent of nostalgia! The one year all of us kids ran to the front of the pontoon and we sunk! Lol That's the same year that the kid and his dad were standing on the dock! The kid looked at his dad and said "Hey dad I'm going to catch the biggest fish in the lake" The kid looked at me casted his fishing pole and hooked me straight in the side! Steve and Shannon had to cut it out with wire snips! I have lots more memories but that's one that stands out the most! We'll take it from here sweet sister!!
