“ *Ed & I admired Nina. She gave her horse Fire leadership, respect & love to him. As we all know Fire lives up to his given name. All of us who saw the beginning of this horse and human relationship witnessed a hot flame turn into a warm, respectful horse who loved Nina. I think he would do any thing for her. I loved watching Nina & Fire in the arena. I could count on them showing up to ride & play no matter if it was freezing cold, pouring down rain or just to hot to ride. Fire & Nina came to play for the day. Nina you will be missed but never forgotten. Our deepest condolences goes out to her family all who knew and loved her. All our Love, Ed & Bonnie Dervage*

“ *I was sad to learn about Nina's passing. She was such a loving and generous person. I regret I didn't have more time to enjoy riding with her. She had so much patience for others and was so generous with her time. She will be deeply missed but I am happy knowing she is resting with Jesus now. We will see her again! To God be the Glory!*
